

CONCEPT 1: RELAX AND REGENERATE

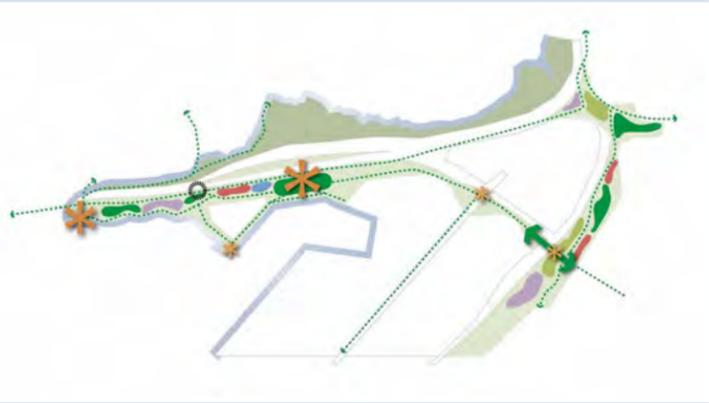

Focus is on the **visual and natural regeneration** of site; place for enjoyment of natural features of the bay and site habitat; **“passive, light touch”**

CONCEPT 2: GETTING THERE

Focus is on **site access and travel experience** for bikes and pedestrians, creating a **major hub of trails** and an alternative travel mode destination; **“movement”**

CONCEPT 3: GREAT DESTINATIONS

Focus is on a **rich mix of park amenities and programs**, creating a community and regional destination; **“active, destination”**
